Performance Flooring Color Portfolio and Selection Guide

Master Builders Solutions from BASF

The Master Builders Solutions brand brings all of BASF's expertise together to create chemical solutions for new construction, maintenance, repair and renovation of structures. Master Builders Solutions is built on the experience gained from more than a century in the construction industry.

The know-how and experience of a global community of BASF construction experts form the core of Master Builders Solutions. We combine the right elements from our portfolio to solve your specific construction challenges. We collaborate across areas

of expertise and regions and draw on the experience gained from countless construction projects worldwide. We leverage global BASF technologies, as well as our in-depth knowledge of local building needs, to develop innovations that help make you more successful and drive sustainable construction. The comprehensive portfolio under the Master Builders Solutions brand encompasses concrete admixtures, cement additives, chemical solutions for underground construction, waterproofing solutions, sealants, concrete repair and protection solutions, performance grouts and performance flooring solutions.

Master Builders Solutions products from BASF for the Construction Industry:

MasterAir®
Solutions for air-entrained concrete

MasterBrace®
Solutions for concrete strengthening

MasterCast®
Solutions for manufactured concrete product industry

MasterCem®
Solutions for cement manufacture

MasterEmaco®
Solutions for concrete repair

MasterFinish®
Solutions for formwork treatment

MasterFlow®
Solutions for precision grouting

MasterFiber®
Comprehensive solutions for fiber reinforced concrete

MasterGlenium®
Solutions for high-performance concrete

MasterInject®
Solutions for concrete injection

MasterKure®
Solutions for concrete curing

MasterLife®
Solutions for enhanced durability

MasterMatrix®
Advanced rheology control solutions for self-consolidating concrete

MasterPel®
Solutions for water tight concrete

MasterPolyheed®
Solutions for high-performance concrete

MasterPozzolith®
Solutions for water-reduced concrete

MasterProtect®
Solutions for concrete protection

MasterRheobuild®
Solutions for super-plasticized concrete

MasterRoc®
Solutions for underground construction

MasterSeal®
Solutions for waterproofing and sealing

MasterSet®
Solutions for retardation control

MasterSure®
Solutions for workability control

MasterTop®
Solutions for industrial and commercial floors

Ucrete®
Flooring solutions for harsh environments

BASF

The Chemical Company

LIMITED WARRANTY NOTICE: BASF warrants this product to be free from manufacturing defects and to meet the technical properties on the current Technical Data Guide, if used as directed within shelf life. Satisfactory results depend not only on quality products but also upon many factors beyond our control. BASF MAKES NO OTHER WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO ITS PRODUCTS. The sole and exclusive remedy of Purchaser for any claim concerning this product, including but not limited to, claims alleging breach of warranty, negligence, strict liability or otherwise, is shipment to purchaser of product equal to the amount of product that fails to meet this warranty or refund of the original purchase price of product that fails to meet this warranty, at the sole option of BASF. Any claims concerning this product must be received in writing within one (1) year from the date of shipment and any claims not presented within that period are waived by Purchaser. BASF WILL NOT BE RESPONSIBLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL (INCLUDING LOST PROFITS) OR PUNITIVE DAMAGES OF ANY KIND.

Purchaser must determine the suitability of the products for the intended use and assumes all risks and liabilities in connection therewith. This information and all further technical advice are based on BASF's present knowledge and experience. However, BASF assumes no liability for providing such information and advice including the extent to which such information and advice may relate to existing third party intellectual property rights, especially patent rights, nor shall any legal relationship be created by or arise from the provision of such information and advice. BASF reserves the right to make any changes according to technological progress or further developments. The Purchaser of the Product(s) must test the product(s) for suitability for the intended application and purpose before proceeding with a full application of the product(s). Performance of the product described herein should be verified by testing and carried out by qualified experts.

Performance Flooring Color Portfolio

MasterTop® TC 683 Colors

Black	Blue	Red	Green
Light Gray	Gray	Charcoal	White
Cream	Safety Yellow	Light Tan	Tan

MasterTop PGM 155 Colors

(For use in MasterTop MMA based flooring systems)

White	Light Silver Gray	Light Stone	Safety Yellow
Light Beige	Dark Stone	Buff	Dark Gray
Green	Blue	Red	Black

All of the color reproductions are intended to provide an indication of color. Actual color and texture of products may vary from those shown in brochure. Applied samples and test patches are recommended for color matching and final approvals for all BASF Performance Flooring products. Contact your BASF representative for further information.

Custom Flake Colors

Eggshell White 1	Turtledove Gray 2	Marine Black 3	Silver Gray 6	Autumn Brown 7
Bright Yellow 8	Fawn Beige 9	Cocoa Brown 10	Jade 11	Patio Red 12
Bright Red 14	Adobe Red 15	Battleship Gray 16	Royal Blue 17	Sky Blue 18
Steel Blue 19	Seafoam Green 20	Forest Green 21	Gunmetal Gray 22	Olive Green 24

Examples of Possible Flake Mixes

	+		+		=			
50% Eggshell White		40% Silver Gray		10% Battleship Gray				
	+		=					
50% Eggshell White		50% Marine Black						
	+		+		+		=	
40% Silver Gray		30% Eggshell White		20% Royal Blue		10% Battleship Gray		

Select individual flake colors and mix to create custom flake systems. Single color flake systems or mixes with more than 50% Eggshell White are not recommended. Flake sizes are broadcast to rejection over pigmented coatings and overlays for full flake flooring systems. These same flake blends can be used for random flake flooring systems as well. BASF recommends that the pigment selected is similar in color to one of the flake colors in the blend.

Decorative Flake Blends

For use in select Ucrete, MasterTop epoxy and MasterTop MMA flooring systems.

Sandstone	Nordic Green	Seamist	Limestone
Buckskin	Aztec Marble	Cobalt Blue	Granite

Decorative Quartz Aggregate Blends

(For use in MasterTop epoxy or MMA based flooring systems)
